

Molicule

1. Add feature page, plan and pricing, Faq page
2. Signup flow- Signup page, plan page (select).

User case select- Plan select - Signup - plan page (Already selected confirm)

3. Reg page term and condition link
4. Reg page upload store logo icon click issue, added icon preview missing, upload process or notification missing
5. Preview on select layout page
6. Dashbard corrections
7. Leftside tabs as per srs flow

Today 1st, reg page issues, 3, 6,7

Further

Remain point of above review

1. Refinement of current reg flow, and home page linking
2. Merchant panel inner tables and forms with real data matching
3. Merchant side inner option
4. Admin login
5. Admin side merchant listing
